- WebView CG

Meal Requirements

Omnivore

Additional Information

* Vaccination requirement

I meet the Health Canada requirements for full vaccination as of the date of this registration.

* Pre-travel agreement

I will take necessary precautions while attending TPAC 2022, including complying with all COVID-related requirements that apply to the event venue or that are otherwise communicated to me. While taking such precautions may reduce risk, any in-person participation includes possible exposure to, and illness from, infectious diseases. By choosing to attend TPAC 2022 in person, I knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID, even if arising from the negligence or fault of W3C, its Hosts, or their agents or partners. Further, I waive and release W3C Hosts (MIT, ERCIM, Keio, and Beihang) and their contractors, agents and partners

from and against claims arising from injury, loss, sickness or death from contraction or spread of COVID or other communicable disease due to travel to or attendance at an event hosted by W3C.

I agree to wear a mask at all times in the TPAC venue when not consuming food or beverages as required by W3C.

We intend to provide COVID rapid antigen test kits each day to meeting attendees. I agree to take a COVID rapid antigen test each day before attending an in-person event if W3C provides test kits and agree not to attend in-person events for the remainder of TPAC if the test results indicate the attendee is likely to have COVID.

* Will you attend the W3C Developer Meetup on Tuesday, 13 September evening?

Yes, I will attend the W3C Developer Meetup

* Accessibility Requirements

I do not have accessibility requirements
